Recycle Enterprises Makes Holiday Shopping Easy with Green Goods

**Edmonton, AB** - Give back to your community and the environment this holiday season with Recycle Enterprises' Green Goods Program! "Environment and community are two topics earning heightened focus and attention, especially during the holidays," says Vicky Andress, Manager of Winnifred Stewart Association's (WSA) Recycle Enterprises. "As the face of fundraising at Winnifred Stewart Association, Recycle Enterprises offers people an easy way to be good to the environment and support others. And you don't even have to leave your home." Green Goods products can be ordered online or by phone, all orders are delivered to your doorstep free of charge, and all proceeds go directly to WSA's programs and services.

Green Goods garbage bags come in varying quantities and sizes to suit all household needs. Clear, black, blue, and kitchen bags, all made from 100% recycled material, as well as four different types of compostable bags. "We all need garbage bags," say Andress. "And Green Goods bags are a perfect way to encourage the act of recycling and support today's green lifestyles."

Winnifred Stewart Association has been enhancing the quality of life for individuals with developmental disabilities for more than 55 years. As an association committed to providing residential services, recreation and leisure programs, and employment opportunities for those with developmental disabilities, WSA is excited to offer a Green Goods program that also supports Edmonton's 20th year of recycling.
