Empowering People. Inspiring Dreams.

Recreation Therapist - Day Services

Winnifred Stewart Association has been enhancing the quality of life for individuals with developmental disabilities since 1953. We are currently looking for a Recreation Therapist to join us by working with our individuals, and our staff, to increase the individuals' motivation and ability to participate in recreation and leisure activities.

The Recreation Therapist will:

- Assess individual's skills, needs, interests and values related to recreation and leisure activities
- Develop and deliver plans and programs and evaluate their success.
- Remove barriers that prevent any individual from participating in meaningful recreation and leisure activities
- Educate individuals accessing Day Services, and mentor colleagues about the physical, mental, social and emotional health benefits of participating in recreation and leisure activities.
- Assist individuals to practice skills and improve their ability to participate in leisure and community activities as independently as possible
- Encourage, support and mentor colleagues for both personal and team growth.

Our ideal candidate will have a Degree or Diploma in Recreation (specialty in therapeutic recreation preferred), preferably one to two years of experience and a valid Drivers License, and will be a compassionate, creative individual with great organizational, communication and interpersonal skills.

Salary: \$2 921.00 per month, per 37.5 hours per week

If you are interested in this position, please send your resume by email to: Human Resources by email: sloutan@wsaf.ca or by Fax 780 453-6709.

This competition will remain open until December 1st, 2011, or until a suitable candidate is found.
